

Academic Excellence

2017-18 NAIA Scholar Teams

The Daktronics-NAIA Scholar Team program recognizes excellence in the classroom by NAIA-member teams. For a team to be considered for the NAIA Scholar Team award, it must have earned a minimum 3.0 grade point average (on a 4.0 scale) as defined by the institution during the 2017-18 academic year. The team grade point average includes all eligible varsity student-athletes.

In 2017-18, 15 of the 20 eligible University of St. Francis athletic programs earned NAIA Scholar Team status.

The Daktronics-NAIA Scholar-Athlete program recognizes excellence in the classroom by NAIA-member student-athletes who are juniors or above in academic standing with a cumulative GPA of at least 3.5. Students must appear on the eligibility certificate for the sport and have attended USF for two full years as a non-transfer or one full year as a transfer to be eligible for the honor.
